FACILITATED PARENTING TIME **ONLINE SIGN UP**

Kent County FOC offers this **free, non-confidential** service to help parents get a **parenting time order** in a support or paternity case. You and the other parent would meet with a Parenting Time Facilitator to discuss options and concerns related to parenting time. You may have one meeting or a series of meetings, depending on your family’s circumstances.

You are eligible for this service if all the following are true:

- Your case ends with a **-DS** or **-DP case code** (e.g., 2022-000000-DP);
- The Prosecuting Attorney’s Office entered a **judgment** in your case **within the past year**;
- Your judgment **orders** facilitated parenting time; and
- You **request** the service or are referred by the court.
